Guidance Counselors: Shauna Nute, Mary MacDonald, John Fiorito, Jeffrey Agnoli, Amy Lilavois

Letter of Support

The Martha's Vineyard Youth Leadership Initiative has been working in conjunction with the high school guidance program to help students during the post secondary planning process. Students have been afforded opportunities to visit college campuses, meet with college officials and explore college options. The students involved in this program have found these trips to be useful and motivational. It has helped them crystallize their plans they have been working on with their guidance counselors. The adult leaders have been open to all level of students and have tried to provide experiences in line with the student's achievement and interests. This time of a student's life is very stressful and time consuming. Having added support from a program like the MVYLI is beneficial to the students at MVRHS who engage in this activity.

Michael G. McCarthy
Director of Guidance 9/13/11
